

# Annual Service Plan for Your Phone System That Could Save You Hundreds...

Highly recommended for systems out of warranty

## Discount On Emergency Service Calls

Regular emergency service call fee is \$295 - Discount price is \$175  
(Plus you get top priority on all regular and emergency service calls)

---

## Mandatory Software Upgrades

Manufacturer requires certain upgrades in order to maintain system.  
We will provide and install upgrades at a 50% discount.

---

## Backup Your System Configuration Files to Our database

Backing up the system configuration is VERY important. Without it, we would have to program from scratch, which can be challenging and expensive. Approximately \$600.00 without this coverage. May not be available on older systems.

---

## Unlimited Help Desk Support and Remote Programming

Call any time you need free help on how to use your phone or need tech support advice. Also includes remote programming  
Fee is \$75.00 without this coverage.

---

## 25% Off all Parts Including Phones

System replacement parts range from \$200 to \$2000 and phones range from \$125 to \$375. Your guarantee 25% off with this coverage.

---

## Replace System Battery if it Fails

The system battery has an average shelf life of 5 to 7 years. We will replace it at no charge if it fails. Fee is \$150.00 without this coverage.
